4 R STREET NW #5

Home Overview

Experience modern living at its finest in Bloomingdale at 4R! This stunning multi-level, 1-bedroom, 1.5-bath residence offers everything you could want and more. With its unique design, the home boasts a two-level outdoor retreat, an open-concept layout, and sleek, contemporary finishes. The gourmet kitchen is a standout, featuring a stylish backsplash, stainless steel Bosch appliances, European designer cabinetry, and premium waterfall quartz countertops.

Additional highlights include a Sonos-powered integrated speaker system, Parcelalosa tiles, 8-foot doors, and a smart home security system for added convenience and peace of mind.

Nestled on a quiet street just minutes from downtown, 4R is located in DC's thriving Bloomingdale neighborhood. Enjoy proximity to popular spots like Red Hen, Pub & the People, and Big Bear Cafe, as well as easy access to Union Market/NoMA, Trader Joe's, and Harris Teeter for all your shopping and dining needs.
